COLOR & TEXTURE CHART

NS5100 Series, Black, Clear & Colors Slip Resistant Tape - 60 Grit

NS5100 Anti Slip Safety Tape is a hard wearing product designed for application in commerce and industry. The contact adhesive has excellent bonding to clean, sound surfaces with good instant grip. Recommended for high traffic areas where wet or slippery floors may expose the user to slip injury.

Consists of a hard wearing aluminum oxide grit profile, bonded to a tough substrate. The surface of the tape is resistant to water, grease, detergents and oils. Simple, quick application. Self adhesive, just peel off the release liner and place into position with firm pressure. Available in a wide range of colors and stripes. Use Color solids and stripes to clearly identify various pathways and/or hazardous areas requiring anti-slip tape.

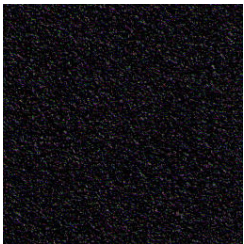

Solids: Available in Black, Light Grey, Dark Grey, White, Clear, Orange, Brown, Green, Red, Dark Blue, Light Blue and Yellow.

Diagonal Stripes: Available in Black/Yellow & Red/White.

Sizes: 3/4" x 24", 5 1/2" x 5 1/2", 6" x 24". Also available in rolls measuring 1", 2", 3", 4", 6", 12", 18", 24", 36" and 42" x 60 ft.

Due to individual computer monitor limitations, colors seen here may not accurately reflect No Skidding® Products' anti slip tape colors. To confirm your color choices, please request a sample via sales@noskidding.com.
